#### **ADVISORS**

Joseph C. deBrux '68  
Treasurer  
Allan Vandall,  
Connected Ownership, Inc.

Thank you for your support and commitment to the Stray Dog Society. Our Board of Directors has been meeting regularly and since our Annual Banquet at Carolina Yacht Club, we have clarified our direction and established upcoming events. Basically, our Society will focus on three areas:

1. Cadet Mentoring
2. Annual Production of Alumni Jamboree Mega-Event
3. Creating Excitement and Having Fun for Alumni and Supporters

We have been updating our website, [www.citadelstraydog.com](http://www.citadelstraydog.com), with upcoming events, the objectives and purpose of our society, and pictures from our Annual April Banquet. We thank you for your patience as we continue to improve our website. Our goal is to have it as a valuable communications tool to spread information about our society to Citadel supporters and to have our members communicate.

Our membership is open to anyone whom has attended The Citadel and supports the college's primary mission. We are a "No Class" organization focusing on providing a large social environment for all ages of supporters.

Further explanation of our objectives:

- We will be active mentors to cadets throughout their tenure at The Citadel. Through early involvement with entering freshman, we are sponsoring a luncheon for incoming knobs, their parents and current cadets this year on **Saturday July 29<sup>th</sup> at The Harbour Club 12:30-3pm**. We also will be assisting upper class cadets through a continual mentoring program. We will host several "Stray Dog" style career orientations through the school year for junior and senior cadets wishing to get a more ground level view of life and work after graduation. The first orientation is being planned just prior to Christmas furlough.
- We will produce and sponsor the Annual Homecoming Mega Jamboree to be initially held on Friday November 9, 2007 at the Visitor Center Bus Terminal in downtown Charleston. Plans and the band will be named prior to Homecoming this year to insure that the reunion class chairman can plan on attending this wonderful event.
- We will sponsor and host "fun events" such as tailgate parties at home football games beginning this season at Johnson Hagood Stadium. The first tailgate party will be on Saturday, September 9<sup>th</sup> starting at 3pm (Kickoff will be at **7:05pm**). Stay tuned to the website for details on this and other exciting events. Food, adult drinks and entertainment will be available to all Society members.

We hope this letter along with our website [www.citadelstraydog.com](http://www.citadelstraydog.com) clearly states what the purpose and objectives are for this society.

Thanks,

Board of Directors

Stray Dog Society, Inc.
